Baltimore Camera Club Digital Competition Guidelines

If you have not done so - establish your Baltimore Camera Club Visual Pursuits account at [Baltimore Camera Club website/Club/Membership Info](). After establishing your account, system will automatically set up set up your competition levels.

Entries must be made through the [Baltimore Camera Club website/ Competition/Submit Images To Competition](). The deadline for entries will be given on the target competition.

The title of the digital competition images should be the title, exactly as you want it to read during the competition. Do not include the competition group or your name in the image title, the software will tag the competition group and your name to the image automatically.

The videos on the website are very good and will answer most questions about setting up an account or downloading images. If you have problems and need assistance – contact, Web Chain, Shailesh Waikar at [waikar.shailesh@gmail.com]()
